

美食介紹 Gourmet

甕仔雞、桶仔雞 Urn Roasted Chicken

一到關子嶺，沿路看到一塊塊桶仔雞、甕缸雞、茶壺雞的招牌，不管是那種，皆是以悶烤的方法將雞肉的鮮甜鎖住的料理方式，而每家餐廳都有自己獨門調味配方，多半會用特調的中藥來增加口味金黃色剛烤好的雞，光是外觀就令人喜愛，送入口後，肉汁好味道，讓人一口接一口回味再三。

The chicken is grilled in a closed urn to lock in the juice and sweetness. Each restaurant has its unique seasoning method with Chinese herbs and spices. Take a bite of the golden crispy chicken, and you will fall in love for sure.

東山龍眼 Dongshan Longan

東山區的龍眼品種繁多，以果實碩大甜美，外殼鮮亮略帶粉質的粉殼仔種最為普遍也較受歡迎。7月至8月是龍眼的盛產期，除了鮮食外，烘焙後的龍眼乾又稱桂圓，更是完美留住了盛夏的氣息，香氣撲鼻的燻烤果肉可作為補品，可摻入米糕、八寶飯、粥品中烹調食用。

Dongshan District features a variety of longans. The most popular variety is known for its sweet fruit and shiny yet slightly powdery outer shell.

東山咖啡 Dongshan Coffee

味好的咖啡豆必須有對應的生長環境，東山的氣候、海拔、日夜溫差皆適合咖啡生長，使得東山所生產之咖啡，品質優良。在關子嶺附近的東山175咖啡大道，各有特色的咖啡館林立，多數的咖啡館主人即是咖啡栽種者，可由產地直接品嚐到最新鮮的咖啡，來到關子嶺不妨也前往東山嚐嚐這悠閒好味道。

A good cup of coffee requires an environment suitable for the growth of coffee beans. The climate, elevation, and day-night temperature difference of Dongshan make it a prime location for growing coffee. Taste the difference yourself.

南寮椪柑 Nanliao Honey Orange

位於關子嶺溫泉與東山咖啡之間的南寮，地處大棟山隔坡，是臺南市椪柑產地，每年中秋後因日夜溫差大，造就南寮椪柑的酸甜滋味。南寮椪柑又稱青皮椪柑，每年9-12月是產季，是國內最早上市的椪柑之一。175市道通往南寮山區，有一座大型的椪柑地標，來到關子嶺不妨沿著椪柑地標，尋找這酸甜好滋味。

Nanliao, which is located between the Guanziling Hot Spring and Dongshan, experiences a large drop in temperature at night after the Mid-Autumn festival. The temperature drop gives the Nanliao honey orange, also known as green-skin honey orange, a distinct sour-sweet taste.

香菇蛋 Mushroom Egg

關子嶺的香菇蛋據傳是1914年臺灣總督佐久間左馬太巡察關子嶺時，鄉民以本產香菇、土雞蛋、玉米麵，加上漢藥配方精心滷製而成，做為歡迎總督駕臨的點心，由於口感彈牙，綿密可口，總督驚為珍饈，原本這一味已經失傳，在地業者訪問當地耆老之後，還原傳統製法，精心研發，重現這征服總督的美味。

Rumor has it that the mushroom eggs were first prepared as a delicacy crafted by the locals to welcome the Governor-General of Taiwan Sakuma Samata in 1914 during his visit to Guanziling. The eggs were braised together with mushrooms, corn silk, and Chinese herbs.

血藤雞湯 Chicken Soup with Rusty-Leaf Muuna

來到關子嶺，別錯過獨特的血藤雞湯。血藤雞湯湯頭色深味濃，通常除了血藤，還加入當歸、黃耆、枸杞、熟地、黑棗等，入口後甘味自舌頭慢慢滑入喉中，一道暖流緩緩化入胃中，越是滾燙越是順口，當然這也是因為與鍋中的土雞肉汁相互佐味而成，肉嫩皮滑的滋味自不在話下，中藥材雖多，但藥味一點也不刺鼻膩口。

In addition to rusty-leaf muuna, female ginseng and astragalus roots are added to the dark-colored chicken soup. Those who sample the soup will notice a hint of sweetness slipping from one's tongue into his/her throat. The juiciness of free-range chicken matches that of the flavors from the Chinese herbs harmoniously to give the soup a mild and subtle flavor.
